

# Rousso Facial Plastic Surgery Clinic

## Natural Faces

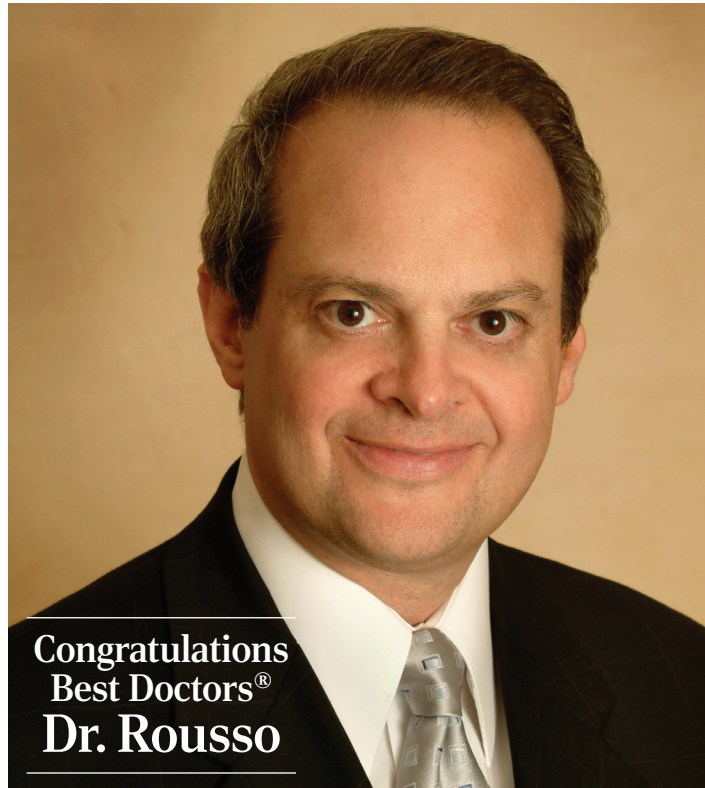

### Experience

Dr. Daniel Rousso has been practicing exclusively facial plastic and reconstructive surgery for more than 20 years. Dr. Rousso and his dedicated staff are committed to enhancing and enriching peoples' lives with the most comprehensive care and state of the art techniques in facial plastic surgery. Beginning with computer imaging analysis and a detailed patient consultation, Dr. Rousso and his staff are able to provide the highest level of personal support, patient care and medical expertise. Patients can expect the greatest respect and procedures tailored to meet their goals.

Dr. Rousso is internationally recognized for his expertise in facial plastic surgery. He is a past President of the American Academy of Facial Plastic & Reconstructive Surgery and a past President of the International Society of Hair Replacement Surgery. Dr. Rousso also served on the Board of Directors of the American Board of Hair Restoration Surgery.

### Qualifications

Dr. Rousso is an assistant professor in the Department of Surgery at The University of Alabama at Birmingham. He also serves as director of a fellowship program under the auspices of the American Academy of Facial Plastic and Reconstructive Surgery, training young physicians in the artistry and techniques of facial plastic surgery. Dr. Rousso is board certified by the American Board of Facial Plastic Surgery and the American Board of Hair Replacement Surgery.

concerns while achieving elegant results.

### Medical Spa

An extension of the Rousso Surgery Clinic, the Medical Spa provides assistance to patients with camouflage and cosmetic makeup techniques. Services include luxurious aromatherapy facials and hot stone treatments. Patients are able to select from a complete "Spa Menu" and have their esthetician customize a skin care treatment designed to deliver results. We offer Youngblood® mineral cosmetics. Non-invasive ablative skin care treatments with no down time include Intense Pulse Light, hair removal with the Gentlelase, OBAGI, PCA and customized peels.

### Education

Dr. Rousso attended Emory University and the Medical College of Georgia, where he earned his medical degree. He completed his residency at Emory University and his Facial Plastic Surgery Fellowship in Birmingham, Alabama.

### Above and Beyond

Dr. Rousso and his staff work to provide personalized patient care in a private, confidential and convenient setting, which includes two state-of-the-art operating suites in his Mountain Brook clinic. "Our offices are designed to be warm and inviting," he says. As an added benefit to his patients, Dr. Rousso is able to perform virtually all of his procedures in the comfort and privacy of the clinic facility. He also has operating privileges at hospitals in and around the Birmingham area. Dr. Rousso is sensitive to patients' cosmetic
